HKV=Bin lift

Payment terms
Delivery terms
Delivery time

within 14 days without any deduction
EXW ex works Grieskirchen, collection by the customer
on request

The presses are checked and a new service book provided.
Guarantee 6 months on hydraulic power unit, excluded are wearing parts as well as damage due to external influences and disregard of the maintenance instructions.

PÖTTINGER Presscontainer MULTIPRESS 22-1.9 – NG

from rental park liquidation

Intake system:

Front hook (foldaway)
Rear hook DIN 1570mm with stopper for moving and transporting the press
Rear Roll polyamide
Front roll polyamide

Standard:

Silence Hydraulic; noise emission <56 dB(A)
E-connection, main switch and operating panel in right position
Connection for additional operation panel
Operating hours indicator and thermal circuit breaker for motor
Retaining claws
Press position optionally open or closed
Automatic phase shifter
door catch system at side-hung rear door
Sealings at maintenance door and rear door
Sandblasted and powder-coated
Prefull lamp
Side hanged rear door with 8 point locking system and door catch system
Inspection plate and service book

Painting:

Press section	RAL 9006 white aluminium, powder coated
Container	RAL 6010 grass green, powder coated

Technical Details:

Volume:	22 m ³
Press force:	340 kN
Throw-in height:	1.400 mm
Throw-in opening:	1.860 x 2.153 mm
Feed opening:	1.860 x 1.450 mm
Volume/Stroke:	1,9 m ³
Pressing cycle:	55 sec.
Noise emission:	< 56 dB(A)
Motor:	5,5 kW
E-connection:	400 V, 50 Hz
Slow fuse:	16 A
Container conic on 3 sides:	à 100 mm
Weight:	5 510 kg
L/W/H (without rear hook):	7.250 x 2.460 x 2.704 mm

Additional equipment:

- Locking stick, mounted
- Hood opening straight up for filling from the ground
- Glider telescope sheets
- Floor cleaner
- Press floor Quard 400
- Rope holder to fix the hood in vertical position

***Model with HKV:** Bin lift standard right side, System DIN, lid opener, hydraulic comb 80-1100L

Exact equipment on request!
